

**Michael C. Cabassa, DDS, MS and Anne C. Hartnett, DDS of Perio Implant Specialists of NJ Named A 2018 New Jersey Monthly Jersey Choice Top Dentist**

(09/20/2018) Michael C. Cabassa, DDS, MS and Anne C. Hartnett, DDS of Perio Implant Specialists of NJ was named a New Jersey Monthly Jersey Choice Top Dentist in the July issue of the magazine.

New Jersey Monthly commissioned an independent survey by Leflein Associates, a research firm in Ringwood. A questionnaire was mailed to all New Jersey-based dentists who have been licensed by the state for at least five years. The mailing list, which is used by the state Board of Dentistry for licensing purposes, was obtained from the New Jersey Department of Consumer Affairs.

Once all the eligible votes were tallied, dentists with sufficient votes were placed on a preliminary list. A handful of dentists were excluded because of significant prior disciplinary actions. The preliminary list was submitted for professional review to an advisory board chosen from among top vote getters in last year's survey.
